SEWAGE TREATMENT AGREEMENT, DATED OCTOBER 17,
2000, BY AND BETWEEN EAST GOSHEN TOWNSHIP, EAST
GOSHEN MUNICIPAL AUTHORITY, EAST WHITELAND
TOWNSHIP, AND EAST WHITELAND MUNICIPAL AUTHORITY

SEWAGE TREATMENT AGREEMENT

THIS AGREEMENT, made the 17th day of October, 2000, by and among **EAST GOSHEN TOWNSHIP** ("East Goshen"), **EAST GOSHEN MUNICIPAL AUTHORITY** ("East Goshen Authority"), **EAST WHITELAND TOWNSHIP** ("East Whiteland") and **EAST WHITELAND MUNICIPAL AUTHORITY** ("East Whiteland Authority"),

WITNESSETH:

WHEREAS, the Mill Valley subdivision has been developed in East Goshen, East Whiteland and West Whiteland Townships; and

WHEREAS, the sewage from the Mill Valley development will be collected and transported to the West Goshen Township Wastewater Treatment Plant through lines located in East Goshen, which are part of the East Goshen sewage system ("East Goshen System") owned by East Goshen Authority and leased to and operated by East Goshen; and

WHEREAS, West Whiteland Township and East Goshen currently have intermunicipal agreements with West Goshen Township and West Goshen Sewer Authority for the treatment of sewage in the West Goshen Township Wastewater Treatment Plant; and

WHEREAS, East Whiteland and East Whiteland Authority have no such agreement with West Goshen Township and West Goshen Sewer Authority; and

WHEREAS, lots 32, 33, 34 and 35 of the Mill Valley development ("East Whiteland Lots") are located in East Whiteland and discharge domestic waste into the East Whiteland sewage system ("East Whiteland System"); and

WHEREAS, East Goshen and East Goshen Authority currently receive sewage from 23 homes located in East Whiteland which is transported to and treated at the Lochwood Chase Wastewater Treatment Plant located in East Goshen; and

WHEREAS, all of the terms and conditions of the agreement relating to the treatment of East Whiteland's sewage by the East Goshen Lochwood Chase Wastewater Treatment Plant are set forth in an agreement entitled "Sewage Treatment Agreement", dated November 17, 1987 by and among the parties hereto; and

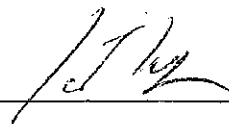

WHEREAS, the parties hereto intend hereby to set forth the terms and conditions upon which sewage from the East Whiteland Lots will be accepted from the East Whiteland System into the East Goshen System and transported to the West Goshen Wastewater Treatment Plant for treatment.

NOW, THEREFORE, the parties hereto, each binding itself, its successors and assigns, and each representing that it has proper legal authority to enter into this agreement, do mutually represent, covenant and agree as follows:

1. East Whiteland and East Whiteland Authority are hereby granted the right to discharge sewage from the East Whiteland System generated by the East Whiteland Lots into the East Goshen System and transported for treatment to the West Goshen Wastewater Treatment Plant. No other sewage waste from the East Whiteland System shall be discharged into the East Goshen System at that location.
2. East Goshen and East Goshen Authority agree to allocate sufficient amount of the sewage treatment capacity that is reserved for East Goshen in the West Goshen Wastewater Treatment Plant to serve the needs of the East Whiteland Lots.
3. East Whiteland and East Whiteland Authority shall be responsible for the maintenance and repair of that portion of the East Whiteland System located in Mill Valley. East Goshen and East Goshen Authority shall maintain in good repair and operating condition that portion of the East Goshen System located in Mill Valley, as well as the other portions of the East Goshen System necessary to transport sewage to the West Goshen Wastewater Treatment Plant from the East Whiteland Lots.
4. East Whiteland and East Whiteland Authority agree to permit no discharges into the East Goshen System, other than domestic waste and agrees to abide by all East Goshen and West Goshen regulations governing the discharge of waste into the East Goshen System and into the West Goshen Wastewater Treatment Plant.
5. East Whiteland shall be responsible for the billing of the East Whiteland residents who own the East Whiteland Lots for sewage service. East Goshen shall bill East Whiteland on a calendar quarter basis for transportation and treatment of the waste generated by the East Whiteland Lots at the regular residential sewer rental charge, according to the East Goshen Sewer Rate Ordinance, in the same manner that the flows from East Whiteland are billed for treatment by the Lochwood Chase Wastewater Treatment Plant. Payment shall be made by East Whiteland within 30 days of delivery of the bill.
6. Any party hereto, or its duly authorized representative, shall at all reasonable times be permitted to enter upon the properties of the other for purposes of inspection, observation, measurement, sampling and testing in order to carry out the purposes and intent of this agreement.

IN WITNESS WHEREOF, the parties have caused this agreement to be executed the day and year first above written.
